

Brand Owners Spending More on Packaging – and Don't Plan To Stop

Spending on packaging by consumer packaged goods (CPG) brands has grown over the past two years – and will continue to do so over the next two years, according to a recent study of CPG brand owners by global strategy consulting firm L.E.K. Consulting. In fact, the increased spending on packaging is expected to grow well in excess of inflation.

Paper, Climate Change and Common Sense

The UN Intergovernmental Panel on Climate Change (IPCC) recently released updated projections about the effects of human activity on our planet, warning that inaction to immediately address climate risk will yield dire consequences.
