

## Upcoming Trade Shows 2015

Sierra Coating Technologies is excited to announce their attendance at the upcoming packaging trade shows. To meet with us, please fill out the form below.

### [Converting & Package Printing \(CPP\) Expo - September 13-16, 2015](#)

#### **McCormick Place, Chicago, IL**

The CPP Expo is the premier event for those in the converting/package printing industry. For exhibitors, it's the perfect place for solutions, sourcing, and sales for your machinery, equipment, and products and services. For attendees, you'll learn new solutions and make new networking opportunities. Whether you're an exhibitor or attendee, be sure to attend the educational program taught by leading industry experts.

### [PACK EXPO - September 28-30, 2015](#)

#### **Las Vegas, NV**

The PACK EXPO started in 1995 and has steadily grown into the largest processing and packaging event of the year, known to showcase the innovation of top-tier suppliers. Today, the PACK EXPO has grown to over

1,800 exhibitors representing over 40 vertical markets.

The goal of the PACK EXPO is to represent a quality tradeshow experience that focuses on processing and packaging innovation while bringing together a wide range of industries.

## **[Best of Food and Beverage Packaging - October 28-29, 2015](#)**

### **Hyatt Lodge, Oak Brook, IL**

The BFBP 2015 brings together the best ideas from brand owners, packagers, and marketers on how to make your packaging compelling. At this conference, you will learn insider tips on how leading brand successfully packaged food and beverages, hear experts discuss industry trends, network with top brand owners, and more.
